GENERAL INFORMATION
DAY CAMP COUNSELORS
We feel confident that we have the best staff around! Our staff is as diverse as our campers. Most importantly, our staff is comprised of people who love kids. Their passion is to invest their time playing, teaching, and working with children. Our hope is for your kids to have positive role models who build confidence in every camper who walks through our doors. All Kroc Center Camp Staff are certified in basic First Aid/ CPR/AED and receive extensive training prior to the start of camp. You can be sure that we are hiring the “best of the best” to work with your children.

Staff-to-Camper Ratio
Kroc Center Day Camp ensures sufficient staff-to-camper ratios as recommended by the American Camp Association and will not exceed 1:10. A minimum of two staff are always present, regardless of the number of campers. This will also be adhered to during irregular camp hours (Extended Care, movie time, etc).

WHAT TO BRING TO CAMP
• SWIMSUIT & TOWEL EVERY DAY. We might not swim every day, but we might have water games.
• WEAR COMFORTABLE CLOTHES that your child can be active in, as well as tennis shoes.

WHAT NOT TO BRING TO CAMP
Below is a list of items that are not welcome at Kroc Center Camps. Should your camper bring these, they will be confiscated and given to the parent at sign-out.

This policy is for the campers’ safety, as well as to encourage group interactions. Additionally, the Kroc Center is not responsible for camper possessions that are lost or stolen. Please do not have your camper bring valuables!

• Sugary snacks or drinks
• Drugs or alcohol of any type

WHAT NOT TO BRING TO CAMP
We understand that urgent situations arise. If you should ever need to reach your child while she/he is in camp, please call the Camp Receptionist’s phone at 901.729.8081
COMMUNICATING CAMPER INFO TO CAMP STAFF

The exchange of information between parents and staff provides insight for both parties. It is vital that you inform us changes in your child’s life so the staff may provide the best care possible. We will treat this information with the utmost concern. There are several methods in which you may contact the camp staff about your child. You may communicate information with an available Camp Counselor during check-in every morning on our Parent Communication Log. Please note that this log is used by all parents. If you have any private matters to communicate to staff, you may call the Camp Receptionist at 901.729.8081. We will use the utmost discretion concerning your private matters.

INCLUSION

The Kroc Center is committed to the inclusion of ALL children in our Day Camp Programs. Patents of children with special needs should contact the Youth Development Director or Coordinator.

LOST ITEMS

Lost & found items are kept for 2 weeks after a session and then donated to the local Salvation Army Family Store. Please leave a note on the Parent Communication Log if you were unable to find your child’s item at the end of the day, and we will look in other areas after the camp day has been completed. We will have lost and found laid out at a table near check-in/check-out.

ILLNESS/INJURIES AT CAMP

Camp is not designed to handle ill children. If your camper becomes ill while at camp, our staff will contact you to pick him/her up. Staff will treat minor injuries requiring application of a bandage or ice. If further medical attention is required or if we are unsure of the severity of the injury, parents will be notified immediately, or emergency services administered if needed.

REPORT TO PARENTS

We try to keep our parents as informed as possible with our “Report to Parents” form. Forms will be held on site. This will tell you what happened how we responded. The Emergency Medical System (911) will be activated at the discretion of camp counselors and/or the camp manager. If we are unable to reach the parents and a child needs immediate medical attention, she/he will be transported to the hospital by an ambulance and we will continue attempts to reach adults listed on the Camp Waiver Form. All expenses for emergency medical care are the responsibility of the parent or guardian.
WHAT TO EXPECT AT CAMP

No matter what camp theme your child jumps into, they will get a chance to experience everything at the Kroc!

MORNING
Summer camp kicks off each day with the opportunity for children to get to know campers in other groups through a variety of games, ice-breakers, and songs. Parents are encouraged to drop off campers in time to participate in this valuable component of camp. All children will be a part of “Morning Rally Time” which is a dynamic kick-off to the day. We do counselor skits, dances, ice-breakers, get-to-know-you team competitions, and devotionals. Activities and contests are planned by the Day Camp Staff and are designed to be all inclusive. Morning Rally begins at 9:00am

LUNCH
Lunch is not included in the total price of Recreation Camps this year. If you wish to purchase lunch for the coinciding camp week, that is no problem! For only $32.50 additional per week, we will have lunch served to your camper. If your camper is a picky eater, has allergies, or has dietary restrictions, we encourage you to pack a lunch from home. We do not refrigerate or heat packed lunches.

MOVIE IN THE THEATRE
Each week, campers watch a movie in our Chapel/Theater. Movies are selected based on appropriateness for the general camper population (G or PG), as well as the weekly theme.

RECREATION & THEME TIME
We will have multiple camp themes running simultaneously each week. There will be certain times where all camps are together such as Morning Rally, Lunch, and various large group games. At other times, camps will split up and have “theme specific time.” Each camp will have an opportunity to experience everything the Kroc has to offer including: gym, sport court, pool, outdoor soccer fields, Challenge Center, and more!

CHARACTER GROWTH
We want the Kroc to be a place where your child grows in many different ways. We strive to see them grow in friendships, memories, skills, and character qualities. We will have devotional time built into our camp day. We will also offer opportunities to participate in Kroc Church Summer activities.

BEHAVIOR EXPECTATIONS
The Kroc Center Camp Program strives to offer every child, regardless of ability, the opportunity to participate in recreational activities that are both fun and educational, allowing him or her to learn new skills, foster relationships, and build self-confidence. Our co-counselors work to create a positive environment that is free from discrimination or other factors that may prohibit campers from having an enjoyable experience at camp, free from peer pressure, excessive negativity, and/or ability to fully participate in camp activities. We take bullying of any kind very seriously. Camp Counselors are trained in utilizing positive discipline techniques to create a positive camp environment that welcomes campers to grow and learn. The best way to deal with problems is through a proactive approach informing the campers of what is expected of her or him and creating an environment that fosters openness, respect and fun. Children thrive creatively within a structured system; by giving the campers boundaries and expectations, the counselors give them the freedom to play and learn through their experiences.
CAMP EXPECTATIONS
1. Respect: ourselves, others, and property.
2. Follow instructions the first time.
3. Have fun!

BEHAVIOR MANAGEMENT POLICY
Preventing negative behavior from occurring is the best way to avoid consequences for misbehavior. However, no matter how positively a camp group begins their journey, many factors are present, including long days of physical activity, and a mixture of personalities and interests that may contribute to a camper breaking the rules and resulting in a need for disciplinary action. Should disciplinary action become necessary, our Camp Staff will utilize verbal warnings, time out sessions to think about the problem, and sometimes parents will be asked to pick-up their camper. In these situations, Camp Staff will provide the parent or authorized adult at pick-up with a Report to Parents form to review and sign. This will explain the issues involved and what action was taken. Any questions about the incident may be directed to the Camp Counselors or the Afterschool & Camp Manager.

If a child has received 3 Report-to-Parent's in a single day - the child's parents will be contacted for early pick-up. Feedback is welcome; we want to do everything possible to make sure each camper has a positive camp experience. More serious or repeat instances may require a camper to be placed on a Behavior Plan that is developed cooperatively between Camp Staff and the camper’s parents/guardians. This means that a meeting will be set up for the parents, camper, and Youth Development Director or Coordinator to have a conversation about the issue, and what steps should be taken to resolve it. Some acts, such as fighting, theft, and possession of weapons/drugs, may require a camper to be immediately suspended or expelled from the program. No refundss or credits are granted for missed days of camp due to behavior problems.

POLICIES & PROCEDURES

AGE POLICY
Children must be the age indicated on the Camp Registration Packet in order to enroll in that camp. Campers with special needs will be enrolled in age-appropriate camps. ALL CAMPERS MUST BE POTTY TRAINED.

DROP-OFF & PICK-UP
Intake Health Screening: All children and staff will be required to pass a health screening, which includes a temperature check before being allowed to enter the program area. Staff will implement screening safely, respectfully, as well as in accordance with any applicable privacy laws or regulations. Confidentiality will be maintained.

I.D. Required: Children will ONLY be released to those listed on the Camp Waiver form as “authorized pick-up”. Valid forms of ID include: Driver's License, Military I.D., and Passport. Please be prepared to show identification when making changes. No child is allowed to sign-out of camp alone.
Please allow yourself plenty of time in anticipation of traffic or volume of parents at the Day Camp pick-up. If the child is not picked up by 4:30pm (6:00pm if your camper is enrolled in Extended Care) and staff are unable to reach the parents, Child Protective Services will be contacted. If you are not arriving during normal check in/out times, please report to Camp Receptionist.

*If you know in advance that your child will be picked up early, please communicate this to our Camp Staff in the morning by writing it down on our Parent Communication Log. This will help us have your child ready.

An Extended Care Fee of $5 will be charged if your child remains at camp 15 minutes past the designated end time (Unless Extended Care is already purchased). An additional $10 late fee will be applied if camper isn't picked up by the 6:00pm Extended Care time, and an additional $10 for every ten minute increment thereafter.

HEALTH POLICIES

**Medical Needs**

Please include *all pertinent* medical information on the waiver, including prescription and non-prescription medications and allergies. If your child needs medications administered during the camp day, a Medical Information Form and Permission to Carry Medication Form must be completed. Medication(s) must be in the original prescription container with the child's name printed on the label, and placed in a plastic bag. All medication are stored in the Medical Backpack. Kroc Center staff will not dispense nonprescription medications without written parental consent and the Medical Forms filled out ahead of time.

**Medical Protocol**

If your camper has any special medical needs please include this information on the waiver form. This includes all medical or behavioral diagnoses that may affect your child's experience at camp. Even if your child does not take medication for the condition, *knowledge of the condition helps our counselors to provide the best care possible for your child.*

Administration of Medications

The Youth Development Director or Coordinator will administer all medications according to the Medical Information Form on file for the camper. All medications must be dropped off and picked up at the sign in/out table daily.

Permission to Carry

If you feel your child can be held responsible for administering his/her own medications (prescriptions such as asthma inhalers and EpiPens), please fill out the Permission to Carry Medication Form. Until this form is completed and signed by the parent and child, the Youth Development Director or Coordinator will administer all medications.
